At first I was afraid, I was petrified
 Kept thinking I could never live without you by my side
 But then I spent so many nights thinking how you did me wrong
 And I grew strong
 And I learned how to get along
 And so you're back
 From outer space
 I just walked in to find you here with that sad look upon your face
 I should have changed that stupid lock, I should have made you leave your key
 If I'd known for just one second you'd be back to bother me
 Go on now, go, walk out the door
 Just turn around now
 'Cause you're not welcome anymore
 Weren't you the one who tried to hurt me with goodbye?
 You think I'd crumble?
 You think I'd lay down and die?
 Oh no, not I, I will survive
 Oh, as long as I know how to love, I know I'll stay alive
 I've got all my life to live
 And I've got all my love to give and I'll survive
 I will survive, hey, hey
 It took all the strength I had not to fall apart
 Kept trying hard to mend the pieces of my broken heart
 And I spent oh-so many nights just feeling sorry for myself
 I used to cry
 But now I hold my head up high and you see me
 Somebody new
 I'm not that chained-up little person still in love with you
 And so you felt like dropping in and just expect me to be free
 Well, now I'm saving all my lovin' for someone who's loving me
 Go on now, go, walk out the door
 Just turn around now
 'Cause you're not welcome anymore
 Weren't you the one who tried to break me with goodbye?
 You think I'd crumble?
 You think I'd lay down and die?
 Oh no, not I, I will survive
 Oh, as long as I know how to love, I know I'll stay alive
 I've got all my life to live
 And I've got all my love to give and I'll survive
 I will survive
 Oh
 Go on now, go, walk out the door
 Just turn around now
 'Cause you're not welcome anymore
 Weren't you the one who tried to break me with goodbye?
 You think I'd crumble?
 You think I'd lay down and die?
 Oh no, not I, I will survive
 Oh, as long as I know how to love, I know I'll stay alive
 I've got all my life to live
 And I've got all my love to give and I'll survive

I want to break free
I want to break free
I want to break free from your lies
You're so self satisfied I don't need you
I've got to break free
God knows, God knows I want to break free.
I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
I've fallen in love, yeah
God knows, God knows I've fallen in love.
It's strange but it's true
I can't get over the way you love me like you do
But I have to be sure
When I walk out that door
Oh how I want to be free, Baby
Oh how I want to be free,
Oh how I want to break free.
But life still goes on
I can't get used to, living without, living without,
Living without you by my side
I don't want to live alone, hey
God knows, got to make it on my own
So baby can't you see
I've got to break free.
I've got to break free
I want to break free, Yeah
I want, I want, I want, I want to break free

Empty spaces, what are we living for?
 Abandoned places, I guess we know the score, on and on
 Does anybody know what we are looking for?
 Another hero, another mindless crime
 Behind the curtain, in the pantomime
 Hold the line
 Does anybody want to take it anymore?
 The show must go on
 The show must go on, yeah
 Inside my heart is breaking
 My makeup may be flaking
 But my smile, still, stays on
 Whatever happens, I'll leave it all to chance
 Another heartache, another failed romance, on and on
 Does anybody know what we are living for?
 I guess I'm learning
 I must be warmer now
 I'll soon be turning, round the corner now
 Outside the dawn is breaking
 But inside in the dark I'm aching to be free
 The show must go on
 The show must go on
 Inside my heart is breaking
 My makeup may be flaking
 But my smile, still, stays on
 My soul is painted like the wings of butterflies
 Fairy tales of yesterday, grow but never die
 I can fly, my friends
 The show must go on
 The show must go on
 I'll face it with a grin
 I'm never giving in
 On with the show
 I'll top the bill
 I'll overkill
 I have to find the will to carry on
 On with the show
 Show
 Show must go on, go on, go on, go on, go on, go on, go on, go on
